Dear Cluster 6-7 students and families,

We would like to be the first to welcome you to Rundlett Middle School and to Cluster 6-7. We are very excited about the upcoming year and most importantly, getting to know you. Building a strong, positive learning community is very important to us.

The first year at RMS is usually one filled with the fondest memories. We know that you will love it here. There are many opportunities for you to pursue your individual interests. Our curriculum is engaging and challenging and we will be here to guide and support you.

We feel that communication between school and home is a major component of one's education. Please feel free to contact us when you have questions, concerns or comments. For those of you that do have email, we will be sending out cluster updates periodically to let you know what is happening at school.

The next page is a supply list for the school year. We will set up binders in each class. If possible, please have these supplies ready for the first day of school.

If you have any questions or concerns, please feel free to send us an email. Enjoy the rest of your summer. We will look forward to seeing you on August 29th.

Sincerely,

Mrs. Ferry & Mrs. Golden

Mrs. Darcy Ferry, Language Arts & Social Studies, dferry@sau8.org

Mrs. Amy Golden, Math & Science, agolden@sau8.org

P.S. Your first homework assignment is to send us a photograph of you doing something fun this summer. You can email this to Mrs. Ferry (dferry@sau8.org) or print it out and bring it with you on the first day of school. This picture will be used in your first language arts assignment.
