Dear future 7-2 students,

We are very excited to begin another school year at RMS! In our cluster we have high expectations for academic success. This means that working hard and staying focused is extremely important. You will be amazed at the fun projects and celebrations that take place during the year in this cluster! We are looking forward to meeting all of you at the end of this month and have also put together a supply list to ensure that you are prepared for what our classes require.

Get ready to learn!!!!
